2470	**Ayoob, Mohammad**	1970		Anliegend füge ich eine Übersicht über das geplante Rahmenprogramm bei. Es macht wenig Sinn, dabei zu sehr ins Detail zu gehen, da es je nach Interesse und Intensität der Gespräche immer wieder zu Verschiebungen kommen wird. Auch zeitlich lässt sich dies nicht so genau festlegen. Der Plan soll nur eine grobe Vorstellung von der Reihenfolge der geplanten Themen vermitteln. Änderungswünsche oder Ergänzungen können wir gerne am Mittwoch abstimmen.	The Institute for Defence Studies and Analysis Journal 3,2:127-156
2471	**Ayoob, Mohammad**	1985	ayoob_1985_as.pdf	Die von mir während der Landesanalyse benutzten Unterlagen und weiterführende Informationen habe ich auf einer speziellen Internetseite zusammengetragen, da es wenig Sinn macht, Unterlagen in Papierform zu verteilen. Diese Internetseite beinhaltet u.a. alle an den vier Tagen benutzten Präsentationen (können Sie vorerst unbeachtet lassen) und andere begleitende Materialien. Hier finden sie auch diverse Videos, welche die besprochenen Bereiche etwas besser veranschaulichen sollen. Ich werde versuchen, das eine oder andere Video in unsere Gespräche einzubetten. Zu guter Letzt finden Sie dort zu jedem der Themenbereiche ein paar nützliche Artikel verlinkt (nach Erscheinungsdatum abwärts sortiert), vornehmlich aus den Medien der letzten Wochen, die ebenfalls zur Vertiefung des zu besprechenden Stoffs gedacht sind und derer Sie sich bei Interesse gerne bedienen können. 2472	**Ayub, Mohammad**	2019	ayub_2019_1230_kp.pdf	Ich benutze diese private Internetseite schon seit Jahren speziell für die Landesanalyse und habe sie in den letzten Tagen aktualisiert. Sie wird auch in Zukunft weiter bestehen bleiben, so dass sie jederzeit wieder darauf zugreifen können. Ich hatte in den letzten Jahren Teilnehmer*innen, die dies bis heute von Zeit zu Zeit tun. Die Inhalte der Seite werde ich Ihnen am Mittwoch noch besser erläutern.	The Kathmandu Post, 30 December 2019
